Improvised Adolescence

Somali Bantu Teenage Refugees in America
Sandra Grady

“Throughout the United States, both large and small cities host resettled refugees, with all the attendant challenges pertaining to education, employment, and social interaction. Sandra Grady’s outstanding book should interest a readership well beyond scholars of ethnography.”
—Erika Brady, author of *Healing Logics: Culture and Medicine in Modern Health Belief Systems*

Ukrainian Otherlands

Diaspora, Homeland, and Folk Imagination in the Twentieth Century
Natalia Khanenko-Friesen

“The author takes her readers on a profound journey through time and across geographic borders. In clear, engaging language, she finds a balance between culturally rich ethnographic examples and complex theoretical interpretations, introducing a folkloric perspective that is largely underrepresented in diaspora studies.”
—Mariya Lesiv, Memorial University of Newfoundland
